CAMDEN TO ROUTE 95 SOUTH

From the **MAINE STAY INN** turn right and drive south on US 1 through the village of Camden.

At Rockport turn right on Rt. 90 west. (2.5)*

In West Rockport turn right on Rt. 17 west. (5)

Drive west on 17 through Union (15) to the junction of 226 south. Turn left on 226 toward Randolph. Although this intersection is marked, it's easy to fly right by. Keep your eye out for Abbots Market and Deli on the right side of 17 -- the turn you want is only 25 yards beyond the market. (36)

Once on 226 you will see lots of "TO RT. 95" signs. If you miss the turn onto 226 don't worry, 17 intersects 95 in Augusta and you will have had a short tour of the Capital of the lovely State of Maine.

At Randolph cross the Kennebec River (42) and follow the signs for Rt. 226, 201, Gardiner and "to Rt. 95 south." When you will pass through the small town of Gardiner keep an eye out for the **A1 diner**, 3 Bridge Street www.a1diner.com (tel. 207-582-4804). Trapped in a time warp, when you step inside it suddenly becomes 1950. It is 47 miles from the **MAINE STAY INN** to the freeway.

Now you are ready to fly south. Watch out at exit 22 -- Freeport! (74) If you get off there you risk being captured by L.L. Bean's and two hundred other factory outlet stores....

Driving time from Camden to Portland is a little under 2 hours.
