CAMDEN TO ST STEPHEN (SCENIC) CANADA

From the **MAINE STAY INN** turn left on Rt. 1 north.

Points of interest heading north include the town of Belfast (18) which has some nice old houses; Moose Point State Park (23); the Maritime Museum in Searsport (25); Fort Point State Park in Stockton Springs (30); and Fort Knox (36). Restored by the State, the Fort is now a park. It is situated on a high bluff overlooking the Penobscot River and the town of Bucksport. Be sure to take a flashlight with you so that you can explore the interior passageways. (36) Continue north on Rt. 1 to Rt. 175 south at Orlando (39)

Follow Rt. 175 and Rt. 166 to Castine. (54) After touring Castine follow routes 166/175/199/177 to Blue Hill. This sounds confusing but the road is well marked. (72)

Blue Hill is the home of many writers, artists and potters. We recommend a stop in at least one of the several pottery shops. If it's time for lunch, we recommend the Captain Isaac Merrill Inn & Café, 1 Union Street (tel.877-414-8889) or the Mill Stream restaurant, Mill Street (tel. 207-374-2233) -- both have home baked goods, soups and sandwiches.

Continue on Rt. 172 through Surry to Ellsworth. (80) At Ellsworth follow Rt. 3 to Bar Harbor. Stop at the Acadia National Park Visitors Center for more information. (87)

After touring Acadia National Park take Rt. 3 back to Rt. 1 and turn right. (This is Rt. 1 north, but the road actually goes south-east, which is very confusing if you have a good sense of direction but don't know the local geography.)

Go five miles east and turn left on Rt. 182. This very scenic stretch of road goes between Schoodic and Turk peeks and past some lovely lakes -- rejoin Rt. 1 at Cherryfield. Follow the signs to Calais (pronounced in Maine "callus") and St. Stephen is just across the Crows River.

As long as you have come this far, be sure to visit the Quoddy Head Light and take a side trip to see FDR's summer home at **Campobello**.
