We just wanted to drop a little note to thank you both for your hospitality and tell you how much we enjoyed our stay at your Inn. Both Camden and your home are such beautiful places that we both hope to return for another visit in the future. Thank you both for your warmth and kindness. We hope that you have a wonderful summer!

Dear Roberta and Claudio,

What a lovely experience!
Our stay at your Inn was the highlight of our two week vacation in Maine. And without a doubt, your Bed and Breakfast was the most perfect of any accomadations ever!

The Maine Stay Inn is a lovely, historic house. The surroundings are beautiful as is the house itself. The food was

delicious and beautifully presented - compliments to you and your cook!

All the rooms are lovely and the accessories (paintings, chine, flowers, etc.) are elegant.

Last, but certainly not least, the Innkeepers made us feel welcome and at ease in our surroundings. Thank you for everything - we appreciate it.

Sincerely,
Judge & Mrs. Ron Durb

& gracious hospitality.

the Maine stay!

Love your inn. Every-
thing is so clean + fresh.

Thank you for the history
you gave when we
checked in and for the
tour of the home. Most
people do not do that
(history of home).

I would not change
a thing.

Dear Roberta & Claudio,

Our stay in your home was delightful! I can't think of anything more that you could have done to make our visit better - unless you could control the weather.

Thanks so much for your warm hospitality.

Sincerely,

Dear Claudio and Roberta,

9/11/2010

We just wanted to thank you for our wonderful visit at your Inn. It was truly one of our highlights on our recent visit to Maine. We have stayed in several B+B's in the last few years and yours was by far the most charming, quiet and clean. You've attended to every detail from the candy dish to the wet towel box to the fire exit, ^{sign} written in calligraphy.

Also, your garden is beautiful and the breakfast was very special. →

We especially loved the mixture of blueberry, cranberry and orange juice! We've only been back to Ohio a couple of days and I've recommended your Inn to half a dozen friends! We hope to stay there again in a few years. (Please stay!!)

Dear Claudio and Roberto,
We will be in Canada
tomorrow and home on Friday.

We want to thank you
for the wonderful stay we
had with you. Since we left
we have recalled our conversa-
tions with you, laughter,
delightful meals & treats, your
caring touch of the chocolates,
and the peacefulness in your
gardens/deck.

We will continue to
think of you & keep in touch.

We enjoyed a "7 Napkin"
cheesburger on Monday
evening - Wow! delicious.
Your advice hit the mark for 2

Thank you Roberto
& Claudia! In 35 yrs
of staying at B+B's we
have never seen such
attention to detail in
any way. All your
needs are taken care of
& our hosts could not
have been more accomo-
dating! The Maine stay
is more like a 5 star hotel
but much FRIENDLIER!!!

We had a lovely stay.
Your decor is beautiful
and it is especially
nice to see your Italian
art work. We appreciate
your letting us check in
early. We were tired and
ready for "luxury" after
spending a week on a
schooner. Staying with
you was the perfect way
to top off our vacation.
The food was absolutely
scrumptious! Our compli-
ments to the chef.

Betty and Joe Crowell

What a lovely room and a lovely place to stay. The appointments, the scenery, everything is comfortable and homey. I will tell people to stay here, and I will tell them to stay in this room!

We also loved the breakfast and the cookies were incredible.

Thank you for a wonderful place to stay and a difficult place to leave.
